

MONTRÉAL Highland Games

<https://www.montrealhighlandgames.com>

Over the past 40 years, the Montréal Highland Games has become one of the premier events on the North American Highland games circuit. The Montréal Highland Games is always held on the Sunday following the Glengarry Highland Games in Maxville, Ontario, which makes it a double-header for pipe bands, athletes, Highland dancers and spectators. Among competitors, this has become known as the M&M weekend. Every year, the Montréal Highland Games brings together Montréalers of all backgrounds to celebrate Scottish sport, music and culture. The Games represent an exceptional opportunity for participants and visitors alike to discover the rich history and traditions of Scotland.
